Dear Valued Customer,

It has been my pleasure to service your recreational vehicle needs along with countless others in the Eastern Upper Peninsula over the last 23 years. I have made the decision to retire this summer and wanted to personally inform you and thank you for your patronage over the years.

My last day of regular business will be **July 31, 2019** and leading up to that date I will be gradually reducing hours of operation, scheduled appointments, and inventory. If your camper is currently stored in our storage lot, no immediate action is required. Stored units will be prepped (by request) and available for pick up in the same manner as previous years.

Without great customers like you, I would not have had the opportunity to get to know and provide service to the EUP's campers for the last two decades. Please don't hesitate to contact me with any of your questions or concerns. I hope to make the next few months a smooth transition.

Sincerely,

Bob Wurschinger  
Owner
